

EXPLORE PAULOWNIA

ORGANIZE YOUR CARBON PROJECT TREE PLANTING WITH US

Paulownia Trees

Do you know South Carolina paulownia trees? Paulownia, common names princess tree, empress tree, or foxglove-tree, is a deciduous hardwood tree in the family Paulowniaceae

Reforestation

Reforestation is the act of restoring trees in an area where their population has been reduced due to either natural causes or human intervention

Afforestation

Afforestation is the establishment of a forest or stand of trees in an area where there was no recent tree cover. Many organizations directly engage in afforestation programs to create forests and increase carbon capture
